## About Me

---

My name is Marina Candano, I am 18 years old. I am a senior in high school and I have a great passion for medicine and helping people. I enjoy collaborating on volunteer projects and participating in charitable activities. I consider myself an empathetic, hard-working person who is eager to continue learning so that I can contribute positively to society.

## WORK EXPERIENCE

---

### Tutor at the "Siempre Madre" foundation

- I Tutor for a second-year middle school girl in history and mathematics

### President of "Hope Madrid"

- a movement that seeks to unite young people to provide social assistance
- Seeking to turn social assistance from a one-day event into a way of life
- Our goal is to create an international day of social assistance

### Professional practice in a hospital

- 3 weeks at IASO Hospital in Greece
- Medical shadowing
- Observation of surgeries

### TedX communications, editing, and marketing team

- Create final video of the event.
  - Organize the event.
